

ACCELERATE YOUR CAPACITY- BUILDING EFFORTS

PERSONALIZED SUPPORT AND COACHING WITH Pete Hall

***Monthly on-site coaching/mentoring sessions:** tailored to the specific goals and needs of each campus, these visits would include:

~**September:** Leveling-up your instructional leadership team

~**October:** Building a common, clear, compelling vision of instructional leadership

~**November:** Conducting capacity-building rounds and enhancing common planning sessions

~**December:** Conducting capacity-building rounds and prepping for coaching conversations

~**January:** Engaging in mid-year check-ins, solving problems-of-practice, resetting goals

~**February:** Conducting capacity-building rounds and fishbowl coaching conversations

~**March-April-May:** As requested, partnering with Pete for additional touch-up sessions, bonus capacity-building rounds, honing practices, and any other elements of capacity-building, including PD for staff

***Optional weekly/bi-weekly virtual sessions:** timely Q&A, problem-solving, and/or book-study discussions in between site visits are available as requested and/or needed.

***You work directly with Pete** to create a personalized combination of on-site/virtual capacity-building support options to meet your needs, budget, and timeline. What you see above is the ideal.
